LIFE PRIORITY™

YOUR LIFE, OUR PRIORITY

Life Priority™ Designer Food® Formula
From **Durk Pearson & Sandy Shaw®**

VITAMIN C2™

A UNIQUE WATER AND FAT SOLUBLE VITAMIN C FORMULA

VITAMIN C2™ helps fight free radicals throughout your body with a scientifically designed formulation of water- and fat-soluble Vitamin C (as calcium ascorbate and ascorbyl palmitate).* Plus **VITAMIN C2™** is more desirable for these reasons:

- Is gentler on your stomach — calcium ascorbate is nonacidic, unlike ascorbic acid
- Contains ascorbyl palmitate, a naturally occurring antioxidant synergist*
- Designed to maximize absorption and bioavailability — operates in both lipid and aqueous tissue
- Take 1 Capsule with each meal and it will provide your body with the equalivant amount of vitamin C obtained by eating 12 oranges.

Vitamin C has been promoted as a means to help prevent and/or treat numerous health conditions. Due to its function as an antioxidant and its role in immune function, Vitamin C might play a role: cancer (including prevention and treatment), cardiovascular disease, age-related macular degeneration (AMD) and cataracts, and the common cold.

- **VITAMIN C2™** a unique Fat and water soluable formula using superior, high stability ingredients.

Supplement Facts

Serving Size: 1 capsule
Servings Per Container: 90

	Amount Per Serving	% Daily Value
Vitamin C (from calcium ascorbate and ascorbyl palmitate)	608 mg	680%
Calcium (from calcium ascorbate)	61 mg	4%

Other Ingredients: Gelatin capsule. Contains no fillers, pollens, soy, wheat, or yeast products, which may cause allergic responses in some persons.

SUGGESTED USE:
For adults only. Take one capsule with each meal as a dietary supplement.
Caution: Keep out of reach of children. Not for use by children, pregnant, or lactating women. Taking large doses of vitamin C (several grams or more) all at once, especially on an empty stomach, can cause gastric upset or diarrhea. This product contains 1.824 g (1,824 mg) of vitamin C in the recommended dose of 3 capsules per day. Persons with the rare genetic disorder 6-GPD deficiency, should not use larger than RDA vitamin C supplements unless directed by a physician.
