NO FILLERS/NON-ALLERGENIC

Natural support for muscle pain and fatigue after exercise*

The normal experience of exercise can include muscle aches and minor pains.* This supplement is a highly effective formulation with enzymes, vitamins, minerals, and herbs designed to promote overall wellness for oxidative stress and is especially beneficial for supporting muscle pain and fatigue after exercise.*

- **Antioxidant Support.** This formula contains the antioxidants Vitamin A, Vitamin C, Vitamin E, Zinc, and Selenium. Also includes a comprehensive AntiOx™ blend to scavenge and correct oxidized molecules, helping prevent free radical damage in the body.*
- **Natural Ingredients.** Rutin, tumeric, quercetin, and hesperidin are key ingredients in this natural formula.*
- **Enzyme Blend.** The GI stable and functional, pH balanced proteolytic enzymes in Protease IFC have been proven to improve muscle performance which may reduce the amount of time involved in and enhance the overall results of exercise activities.* This proprietary blend includes bromelain and papain, known for their ability to provide additional proteolytic activity.*

Health Benefits: Transformation's Professional Protocol™ Protease IFC is a unique proprietary formulation of active proteolytic enzymes, vitamins, minerals, and herbs designed to support a healthy muscular system.*
